

77205-V High Profile Variable Speed Turntable with Toggle Switch Operated Quick-Load Film Delivery

The 77205-V offers the best value for the dollar for those wishing to upgrade from hand wrapping. These stretch wrap machines come equipped with a variable speed film carriage to move the Quick-Load film dispenser up and down and a variable speed turntable. Just load the 48" round or octagon turn table, attach the film, set the film carriage's vertical speed and the turntable speed dispenser's stretch wrap tension. While the load turns you can vary the speed as you control the up and down movement of the dispenser with a toggle switch. Increase productivity, optimize film usage and have tighter load security.
