NITECH INTERNATIONAL PACKAGING MACHINES

77201-6 High Profile Foot Switch Operated Fixed Speed Basic Turntable

Overview

The NITECH 77201-6 is designed for operations that need a simple way to wrap pallets without a film carriage system. It provides a rotating turntable that allows the operator to apply stretch film by hand as the load turns.

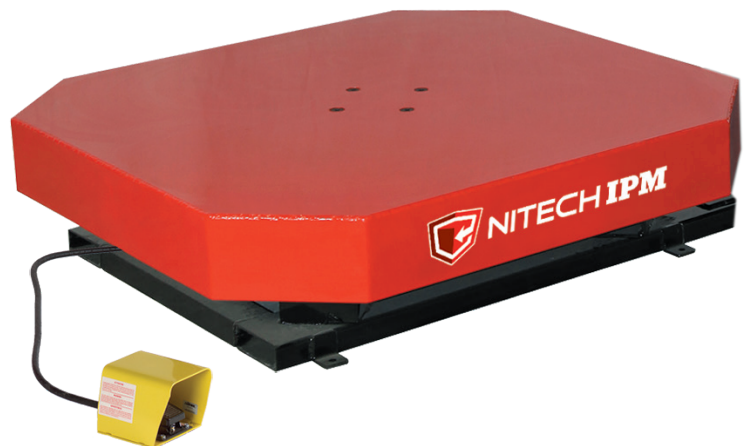

Load the turntable, attach the film, and use the foot switch to rotate the pallet. As the load turns, the operator holds film roll, applying film and manually controlling coverage. This eliminates walking around the pallet.

Operators now remain stationary while the load rotates, simplifying the wrapping process while reducing worker fatigue and improving overall efficiency.

This straightforward approach makes it a practical solution for low-volume environments or applications where a basic wrapping method is sufficient.

Features

- ✓ Foot switch controlled turntable operation
- ✓ Fixed speed turntable rotation
- ✓ Open platform for manual film application
- ✓ Durable all steel construction
- ✓ Fork-Lift Portable
- ✓ Industry-leading warranty (4-year components, 10-year structure, 10-year gearbox)
- ✓ 6,000 lb load capacity
- ✓ Scale option available

Specifications

Machine Profile	High Profile
Maximum Load Size	65" x 65"
Product Capacity	25 Loads per Hour
Weight Capacity	6,000 LB
Electrical Data	120 VAC 60 Hertz 20 Amps, 20' Conventional Style 3 Prong Power Cord, UL Approved Components
Turntable Size	48" Octagon Steel Deck w/5" safety skirt
Turntable Height	11 3/4"
Turntable Drive	3/4 hp AC Motor (Totally Enclosed Fan Cooled), 4 Point Caster Supports (1800 lb. each), Fixed Turntable Speed: 12 RPM (Optional Speeds Available), Lubrication Free Enclosed gear drive design, Synthetic Lube in all Gearboxes (-30 to 120 Degrees)
Controls	Shielded Footswitch Start / Stop
Frame Construction	Custom Formed Steel Channel, Easy Access to all Components, Forklift Portable, Heavy-Duty Structural Tube and Plate, Industrial Powder Coated Paint Finish
Technical Documentation	Complete Electrical Schematics, Complete Operators Manual, Illustrated Parts Break down
Warranty	4 Year Limited Warranty (100% of All Components), 10-Year Gear Reducer Warranty, 10-Year Structural Warranty
Shipping Weight	750 lbs.
