77201E-LPV-60 Low Profile Turntable with Foot Switch Operation for Simple, Ergonomic Hand Wrapping

Overview

The NITECH 77201E-LPV-60 is designed for low-volume applications that require simple pallet wrapping with easy pallet jack access. Its low-profile turntable allows pallets to be loaded directly without the need for a forklift.

Load the turntable, attach the film, and use the foot switch to begin rotation. As the load turns, the operator applies film by hand, controlling coverage and tension throughout the wrap cycle.

Operators now remain stationary while the load rotates, simplifying the wrapping process while reducing worker fatigue and improving overall efficiency.

This straightforward approach makes it a practical solution for occasional use where simplicity and accessibility are more important than automated wrapping features.

Features

- ✓ Low-profile turntable for pallet jack loading
- ✓ Variable speed foot switch controlled turntable operation
- ✓ Open platform for manual film application
- ✓ Ergonomic friendly
- ✓ Durable all steel construction
- ✓ 4,000 lb load capacity
- ✓ Scale and ramp options available

Specifications

Machine Profile	Low Profile
Maximum Load Size	52" x 52"
Product Capacity	30 Loads Per Hour
Machine Dimensions	103"L x 60"W
Weight Capacity	4,000 LB.
Electrical Data	120 VAC 60 Hertz 20 Amps, Conventional Style 3 Prong 20' Power Cord, UL Approved . Components
Turntable Size	60" Round Turntable w/2" safety skirt.
Turntable Height	2 7/8
Turntable Drive	1/2 hp DC Motor (Totally Enclosed Fan Cooled), 4 point cam follower turntable supports, Easy access lubrication points on turntable, Heavy-Duty #50 Roller Chain and Drive Sprockets, Synthetic Lube in all Gearboxes (-30 to 120 Degrees), Variable Speed Turntable 0-15 RPM with Soft Start and Soft Stop.
Controls	Variable-speed Guarded IP65 Sealed foot switch with start/stop control and 0-15 RPM table speed adjustment operated directly from the footswitch.
Film Delivery	N/A
Film Carriage	N/A
Tower Construction	N/A
Frame Construction	All Welded Steel Construction, Custom Formed Steel Channel, Easy Access to all Components, Forklift Portable from Front, Industrial Powder Coated Paint Finish.
Technical Documentation	Complete Electrical Schematics, Complete Operators Manual, Illustrated Parts Break down.
Warranty	4 Year Limited Warranty (100% of All Components), 10-Year Structure Warranty, 5-Year Gearbox
Shipping Weight	735 lbs., 975 lbs with loading ramp.
